

L'UNION SUITE THIRD ANNUAL STRIKE FOR EDUCATION CHARITY BOWL FOR HAITI

JULY 16TH 2017
Sparez Bowling Alley
5325 S. University Drive
Davie, Fl. 33328

Dear Prospective Sponsor,

It is with great enthusiasm that we invite you to join us as we celebrate the 3rd annual Strike For Education Bowl For Haiti Tournament.

L'union Suite is committed to cultivating a positive relationship with the public, its followers and friends to work together towards helping the children of Haiti. For two consecutive years, we've put our marketing power together with their resourcefulness to fundraise on behalf of important charities that make a difference everyday.

This year we are raising money to build a resource center in Cap-Haitien at College Bell Angelot. The center would work to build a brighter future for children in Haiti in 7th to 12th grade by providing them with supplies and materials that are out of their reach now. Things like computers, books and tablets, while also extending the fun side of learning by giving them the opportunity to play games and enjoy extracurricular activities. Donations will go to funding the resource center and even help with the hiring of teachers and the establishment of an after school program for the kids.

As a highly anticipated annual charity, Strike for Education is a fun way to make a difference and change lives one strike at a time. Since our first bowling event in 2015, we have had an amazing turn out, we have raised over \$15,000 and we have had guest stars such as Andre Berto, Karen Civil, Chad Ochocinco, Pierre Garcon, Junior Galette, Steph Lecor, Supa Cindy and many more come out to support the tournament.

We invite you to view sponsorship opportunities that will help expand L'union Suite's programs and even give year round education and afterschool opportunities for the children of Cap-Haitien, Haiti.

Now, let's change lives together!

With Gratitude, The L'union Suite Team

About Strike For Education

In the past we have had the honor to host a variety of celebrities and community leaders who have been eager to lend a helping hand. Together we have helped organizations like:

Fleur de vie, a nonprofit organization that works with and supports the initiatives of struggling nonprofit organizations whose mission is to implement social change in their communities in Haiti. We partnered with the company in 2015 and assisted in their back to school program which assisted over 600 students in Port-au-Prince prepare for school.

Edifye, a non-profit agency working to empower local communities to improve economic conditions in Haiti. Their mission is to combat the cycle of poverty in Haiti, through education, empowerment and partnerships. In 2016 we assisted in raising funds for Edifye's scholarship program that went go towards funding one-year tuition for more than 100 students in Haiti.

Our main focus now is to give much needed support to schools in Haiti who are in need of the essentials. From school books, to book bags, to teachers and better infrastructure, we know that the bigger this event can become the more children we can give a brighter future to. Our main focus this year is helping to build a Resource Center in Cap Haitien at College Bell Angelot for children in 7th to 12 grade. We are thrilled about the endless possibilities for the future of these kids. The Resource Center will be our great big "We Love You" to our founder Wanda Tima's hometown of Cap-Haitian.

WANDA TIMA

"My goal with L'union Suite was always to bring Haiti to the forefront. By showing the beauty of the country and most of all the talent that comes out of the country. With this event we have been able to empower children who may not have the same opportunities as most of us do. If we aren't giving back to our community than what good does our success do?"
