ABOUT FOUNDER

Wanda Tima is an award-winning Haitian-Turks Islander media maven raised in South Florida.

Excited about her heritage and with a passion to give back; on October 2011, Wanda started "L'union Suite", For her, this was a personal project aimed to help other Haitian-Americans who wanted to learn more about Haiti and its culture, who often felt disconnected from the experience. Wanda has long realized the need for a better Haiti, and she realized that the solution starts with each one of us. In 2018 Tima was featured in Black Enterprise & Forbes.
